**Hartman's Trailer Park Pet Policy - 2018**

1. Any tenant wishing to bring pets onto the above-named property must read, understand, and abide by the rules outlined in this Policy, the primary purpose of which is to ensure that safe and sanitary surroundings are provided for all tenants, visitors, and management, to protect the physical integrity of the property, and to protect and provide for the well-being of the pets themselves.
2. Tenant must register all dogs with property management. **Permission to keep a pet is granted at the sole discretion of management** and will be based in part on the pet's own merit, as well as the merit of each tenant and the tenant's ability to maintain proper control over it. Permission **must** be obtained **before** a dog is allowed to reside with a tenant in the park. Failure to obtain permission will result in management requesting the dog be removed from the park. A tenant is expected to update management if they no longer own the registered dog.

**Types of Pets**

3. The term "pet" refers to a domesticated species and genus of animal commonly recognized as a household pet: cats and dogs.

5. Vicious pets, aggressive dog breeds (i.e.: Pit bulls, Rottweilers), exotic pets or any poisonous or venomous pets will not be permitted.
